

How to prevent spreading of COVID-19

- **Get VACCINATED!**
- Wash your hands frequently and thoroughly (for at least 30 seconds). Use soap and water or an alcohol-based hand sanitizer. You can disinfect your hands at the entrances when entering the building.
- Keep your distance between yourself and people without 3-G (vaccinated, recovered or tested)
- Wear a mask when you meet other people without 3-G about in general areas
- Avoid shaking hands and body contact without being vaccinated, recovered or tested .
- Groups within the building only with 3-G. Please strictly comply to the regulations for non-residents without 3-G (wearing a mask when entering/leaving; staying only in rooms, not in general areas)
- Using the gym only with 3-G, disinfection and contact tracing
- Use of the communal kitchen only with 3-G or a mask and with strict adherence to the cleanliness guidelines (immediate cleaning of private utensils, regular ventilation or cooking with open/tilted windows). Only use your own dishes.
- No Parties until further notice due to the risk of infection
- Avoid touching your face (eyes, nose, mouth) with your hands.
- When coughing or sneezing, keep your mouth and nose covered with your elbow.
- If you have symptoms such as fever, cough, sore throat, loss of taste or difficulty breathing, or if you fear you may be ill, stay in your room and immediately **contact 1450 AND your dorm administrator by phone.**
- We will be happy to support you in the event of a suspected COVID-19 infection or a possible quarantine.
- If you should be tested for COVID-19 due to a suspicion or officially initiated, we ask you to always communicate this to the dorm management and to keep the quarantine in the room until you receive the test result. Both POSITIVE and NEGATIVE test results must be communicated to the dorm management immediately.
- https://www.oesterreich.gv.at/en/themen/coronavirus_in_oesterreich/pre-travel-clearance.html provides information on the currently travel regulations.
- **Bring your vaccination certificate (proof of vaccination), a valid negative COVID-19 test or proof of recovery with you when you move in.**
- If you have a valid separation notice (quarantine notice), present this immediately. Withholding a separation notice is an officially punishable offense.
We will support you with your quarantine.
