for registration
and FAQ's in
our dormitories

When and where should I apply?

- 1 If you want to move into a home4students dormitory at the beginning of an academic year or during the semester, apply on our website www.home4students.at

The earlier you register the better are your chances to get a room in your favourite dormitory.

- 2 After your registration we'll send you a **confirmation with your login details**. Now you can change or update your personal information via our website. Once a month we'll send you an update link, so we know that you're still interested. We'll send you an offer as soon as possible.

Which home4students dormitory is the best for my needs?

You can pick your favourite home4students dormitory out of 18 houses and each of them is a little bit different. Some of them are new or well-equipped others are very low-priced. **Select the dormitory that best matches your needs.**

- 1 If possible, **go and have a look** at your future home before moving in. Our dormitory administrators will show you around. Please arrange an appointment with the dormitory administrator.
- 2 In most home4students dormitories you can stay all year long.
- 3 The **location** of your dormitory is another important point. Check out the **distance finder** on www.home4students.at. This convenient tool calculates the way from your university to the desired dormitory.
- 4 Find all information regarding **equipment, prices and contact information** on our website.

Our two **10-months dorms in Graz and Innsbruck close during the summer**. That means you have to move out by June 30th and **you don't have to pay the monthly rent and save money**. On September 1st you can move in again. Of course, also in your room.

- 5 We offer **all-inclusive rates**: furnishings, heating, electricity, internet, TV connection, cleaning, technical support and the use of the common rooms are included.
